"The King" - Elvis Presley

On August 16, 1977, the world mourned the loss of "The King" - Elvis Presley. This Officially Licensed ELVIS PRESLEY 2-coin complete set is a treasured collectible, combining the popularity of Elvis Presley with coin collecting. Coins are Genuine Authentic Legal Tender of the United States, which have beautifully enhanced with images of Elvis Presley. Colorizing coins involves the unique application of special inks directly to the surface of a coin that achieves a level of detail, color saturation, and durability that is #1 in the coin industry. The result is an everlasting colorized coin collectible of ultra-high quality. The Kennedy half dollar is a U.S. fifty cent coin with coin year and mint marks chosen at random. Each coin is in a capsule. Both coins are packaged in a cellophane bag. There is a COA and small stand for each coin.
